NUTRITION BITES:

Menus are subject to change due to the availability of food.

- · Make fruit more appealing: Make a fruit smoothie by blending fat-free or low-fat milk or yogurt with fresh or frozen fruit.
- · Many children in the US fall short of meeting calcium, iron, vitamins D, potassium, fiber and whole grain recommendations. 1
- The intake of dairy products is especially important to bone health during childhood and adolescence, when bone mass is being built.²
